Transition: From the MUG Store to PowerMax.com

PowerMax.com, the engine behind The Apple MUG Store, is pleased to announce a new process for Apple user group members. Instead of going to www.applemugstore.com to view a limited selection of items, members can now go directly to www.powermax.com to peruse and purchase (rewrap) almost 50,000 products. By identifying the user group you belong to (either on an online order or over the phone), PowerMax will continue to accumulate points for your user group to use.

As a special bonus, for one month only, starting February 20, 2009, those points will double to 2% of the total purchase. So if a user group member buys a \$2,000 (US) computer, \$40 (US) will be added to your user group's account, good toward anything PowerMax sells.
